

## Airspace Simplified!

This 90-minute classroom presentation will cover all airspace in the U.S. as it applies to pilots of all levels. All subject matter comes from the FAA's Pilot Handbook of Aeronautical Knowledge. (PHAK) Chapter 15. Handouts will be given out in class showing a simplified way to learn and retain knowledge about U.S. airspace.

**Directions:** From St. John's Bluff Road, enter the Craig Airport main entrance. The Civil Air Patrol building is the first building on the left, just before Charles Lindberg Drive.

### A message from the National FAASTeam Manager
